Summer Sabbath

Everyone has worked very hard in the past year to further the work and ministry of KCC .

- ◆ *The Board of Christian Education worked tirelessly to make sure the Sunday School stayed together.*
- ◆ *The teachers worked hard to teach our children about our faith and tradition.*
- ◆ *The Trustees kept our building running smoothly.*
- ◆ *The Deacons tended to the community and supported worship and spiritual life.*
- ◆ *Mission and Social Justice kept the needs of the world before us.*
- ◆ *Stewardship began a new initiative to assure our financial viability.*
- ◆ *The Council offered support and guidance while overseeing the by-laws, which passed earlier this summer.*
- ◆ *The music committee tended our instruments and assured that part of our ministry continued smoothly.*
- ◆ *Our staff, as always, went above and beyond in their work.*

Now it's time to rest.

The Council joins me in encouraging Boards and Committees to NOT meet during July. We will reconvene in August and prepare for our mission and study opportunities in the fall.

Rest well, Pastor Pat
